Dear Ben,

Thank you so much for your letter and your story. Yes, I love animals very much. I have a cat "Busya", she so beautiful and smart. I spend a lot of time with her. I comb, feed, clean up after her, take her out for walks and often play with her, as she is very playful with me. It takes a lot of time and effort, but since I love my cat, I am happy to do all this work.

Do you like to walk in the fresh air?
Do you like football? Do you play sports?

Dear Friend, -

Thanks a lot for your last e-mail.

'Sorry I haven't been in touch for so long.

I like to go to museums, but with the class we very rarely visit museums, as we prefer to skate.

I would like to visit the Tretyakov Gallery, it is very beautiful and aesthetically pleasing there. In my

opinion, visiting museums, ~~as we~~
~~to prefer~~ is necessary in order
to be a literate and knowledge-
able person in society. Many do not
want to lose the glory of an
interesting interlocutor. A person
who ~~it~~ knows a lot will surely
leave behind pleasant impressions.

Would you like to come to
Russia with your family to visit
museums?

What are your favorite
museums?

Do you prefer historical or
modern museums?

Well, I'd better go now as I have
to do my homework.

Write back soon!

Yours, Kate.

Subject: Welcome.

Dear Tom,

Thank you for your letter.

In your letter you asked me about how often my class and I go to museum. We don't often go to museums, but it's always something informative and exciting. You also asked me about which museum is our favourite and which one we would like to visit? Our favourite museum is The state Art Museum, which is located in the city of Belgorod. But personally I would like to visit The state Hermitage Museum in St. Petersburg as well as the Tretyakov Gallery in Moscow. You asked me why people should go to museums. In my opinion it is useful for people to go to museums and other cultural institutions, because it broadens your horizons, you learn a lot of new and interesting things.

11/7/08

and also it's just ^{for} fun.

Now it's my turn to ask you questions. Where are you going with your parents? Do you like hiking? How often do you go hiking?

Well, I'd better go now as I have to help my mother. Write me back soon.

Best wishes,

Ksenia.
